COME OUT AND GET INVOLVED!

OYSTER DOME PROJECTS

Every year hundreds of volunteers get involved to help Tampa Bay Watch build oyster reef shorelines in Pinellas and Hillsborough Counties. Oyster reefs restore lost ecosystems in their natural habitat. They also improve water quality through natural biological filtration. New oyster reefs enhance and protect local biodiversity through the creation of foraging areas for many species of birds.

If you've been looking for a hands-on way to get involved in protecting and restoring our bay, oyster domes are for you! Come join us for one or many of the following projects. Plan on getting your hands dirty, but most of all...having lots of FUN!

Come join us at Tampa Bay Watch to help build oyster domes! This is a great way to spend your day. What could be more fun than playing with concrete! It takes about 5-8 volunteers to build a dome in the morning. If you can help out with any of these dates, please let us know!

When:

Friday, December 7th
Wednesday, December 12th
Friday, December 14th
Monday, December 17th
Wednesday, December 19th

January Dome building days coming soon!

Time: 9:30 - 1:00 each day

Where: Tampa Bay Watch Offices, 3000 Pinellas Bayway S., Tierra Verde,

What to wear/bring: Wear closed toe shoes and plan on getting dirty! Water, gloves, etc.

If you would like to help out with one or several of the dates listed above, **please sign up with** new Communications Coordinator at rarndt@tampabaywatch.org. Please let her know the date and your phone number.

Are you having difficulty deciding on unique holiday gifts for your friends and not give the gift of an annual membership to Tampa Bay Watch! Visit www.tampabaywatch.org for more details on membership. You can join for per year.

Also consider our attractive Tampa Bay Watch gear when holiday shopping. t-shirts, visors, Tervis Tumblers and Vineyard Vines d-ring bracelets can be purchased by contacting Alexis, aackman@tampabaywatch.org
