Subject: Oyster Season is here - come out and volunteer!

OYSTER SEASON It's that time of year again!!

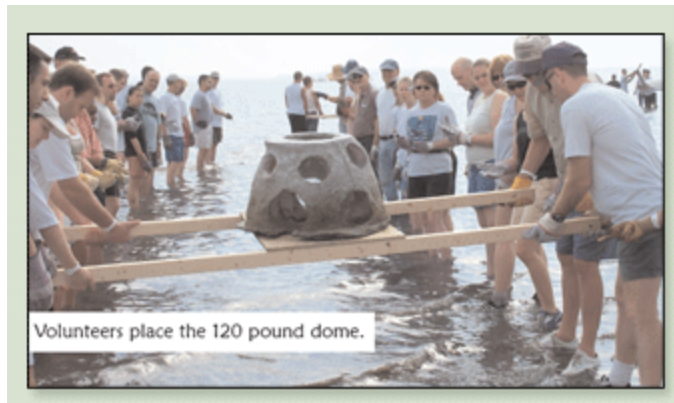

Every Spring hundreds of volunteers get involved and help Tampa Bay Watch Build Oyster Oyster bars along precious shorelines in Pinellas and Hillsborough Counties. Oyster re bars restore lost ecosystems in the bay by creating habitat. They also improve water qua natural biological filtration. New oyster communities will enhance and protect local bio through the creation of foraging areas for many species of fish and birds.

COME OUT AND GET INVOLVED!

If you've been looking for a hands-on way to get involved in protecting and restoring our Oyster season is for you! Come join us for one or many of the following projects. Plan on doing some heavy lifting, but most of all...having lots of FUN!
