**Who we are...**

The **Atlanta Reef Dwellers Scuba Club** is Atlanta's oldest independent dive club. We exist only to serve our members.

**What we do...**

Our monthly meetings consist of informative lectures, equipment demonstrations, and social events for other divers. All levels of experience are represented, from beginner to advanced. Our members participate in dive trips or social events almost every month. With over 40 years of experience, our members have been there! The club is good for finding dive buddies, going on dive getaways, and much more.

**Everyone's welcome**

Please browse our pages and if you have any questions, don't hesitate to drop us a line. We look forward to meeting you and we thank you for stopping by.
