

## Press Release: Anti-Whaling campaign

Citizens Environmental Advocacy Centre Inc. [ Hawke's Bay, New Zealand ]  
Marine Environment Project – Project Manager David G. Head [Dave]

# Consumers Boycott of Japanese Products.

New Web Site: <http://www.stopwhaling.co.nz>

**Please help to stop Whaling**, in particular Japanese whaling. They take by far the largest numbers. How many? In 2002 they killed **5 Sperm, 39 Sei, 50 Bryde's and 590 Minke** whales. In 2004/05 they killed **780** whales in total. In 2005 they increased their planned take to **900 Minke** and added **10 endangered Fin** whales. From 2007 they plan to kill **50 Humpback and 50 Fin** whales, another **900 Minke** whales and a number of other species of whales and dolphins. Since a moratorium came into force in 1986 and 2001 they have killed a minimum & staggering **11312 Whales**. Please help by going to the web site:

<http://www.stopwhaling.co.nz/>

It contains further information and a link to the **consumer's boycott of Japanese products** contained in a petition to the **Japanese Prime Minister**:

The Following is a message from: The Global Health Council \*

# **TRADE BAN**

## **Consumers Boycott**

Due to an outbreak of

# **Mad Whalers Disease**

There will be a total ban on ALL Japanese Products.

### Symptoms of this disease include:

- ✍ Unwillingness to listen to world opinion.
- ✍ Ignoring International Law, Treaties & moratoria.
- ✍ Disrespect of the beauty of Nature.
- ✍ Arrogance & indifference to the plight of endangered species.
- ✍ Cruelty & **inhumane** methods of killing whales.

### Treatment Available:

- ✍ **Total Isolation, Boycott, Quarantine & Protests.**

**STOP WHALING.** See <http://www.stopwhaling.co.nz>

\* Note: Like "Scientific Whaling", the Global Health Council does NOT exist.\*
